The Anamoose City Park Board will host two community Christmas events. The first will be on December 7th to have students of the Anamoose-Drake Elementary and head start, decorate the tree in the park with ornaments they've made at school. Schmaltz will contact Ron Bartz for sleigh rides (for both events), Meckle will communicate with Civic Club about goodie bags, and Gahner will approve date and activity with school.

The second event will be an evening to officially light the tree in the park. A supper of soup and sandwiches will be served on Sunday, December 11th, after tree lighting in the city park at 5:30 pm. An invitation request has been sent to Santa, plans to purchase and donate necessary items for event have been made and delegated. Schmaltz will call to reserve building, Meckle will set up a vendor show that runs during the meal, and ornaments that can be decorated personally will be for sale in the community, to place on the tree. Finally, a Light-Up the Town competition will be held, to encourage community members to decorate their houses, and share some Christmas spirit. A prize will be given for first place. Judges, from outside city limits, will be asked to participate in the competition.

The next meeting of the Anamoose City Park Board will be held on Wednesday, November 30th at 7:00 pm, to finalize preparations of the upcoming fundraising events.

There being no further business, meeting adjourned at 8:30 pm upon motion by Spear/Meckle. AIF
